The following nominations were received for

Word of the Week: **Relentless**

Puffins - One child has shown a relentless determination to improve all aspects of their learning. Whatever the subject is has been, no matter how challenging he has found things at times, they have never given up and pushed themselves to be the very best that they can be. Well done Ethen!

Penguins - This child has shown a real 'can do' attitude towards their independent writing. Their determination to not give up and stick at it, even though it is tricky, has really impressed us. Well done Macie

Lifeboats - This week we thoroughly enjoyed taking part in a Hoopstarz session and one Lifeboat in particular really stood out. Miles found this session a little challenging and was ready to give up, but with encouragement from staff and classmates he kept on going. Not only that, during playtime afterwards, some children asked if they could have some hoops to continue practising and Miles took it upon himself to keep on trying outside. I was extremely proud of him!

Coastguards - Have been trying lots different fruits and vegetables this week. Our topic is plants and so we were categorising them into whether they were fruits, legumes or vegetables. Ashton was incredibly relentless with this task and tried every single thing on his plate! He wasn't sure on some things, but that didn't stop him trying the rest and he even found some new food that he likes. Well done Ashton!

Birthdays

The following pupils are celebrating their birthday over the next week.

Lyra, Callum, Maya, Jacob, Amelia, Cameron, Molly & Alice

School Grid Menu change

There has been a change to the menu on School Grid next Thursday 20th May and Friday 21st May. Any pre-ordered meals for these days will need to be re-ordered. We apologise for any inconvenience this may cause.
